Epilogue

Hello.

I'm Maru.

IT'S THE END!

Hah! No! Way!

The end? Really?
Haha

UUUUUUUUUUUUUUH!!

ITV - TED-HUN - PRODUCTION

PULL YOUR ASS TOGETHER! ♥

All this has been possible
thanks to everyone.
Thank you TLTT

Even though Gaon
became a Ppaiggu...

Gaon isn't a Ppaiggu

(TM) Ppaiggu is a famous comedy character
created for North Korean appearances.

His hair is growing back.

December 2009: the first uploads to DMM's "I'm a Mariowaku, Too" (note, "Webcam League"). Now it's suddenly 2013...

"Time passed, but it was still
a long time..."

It's been a really long time.

I switched producers.

Manager of
"One Winner"

For a short while, hip-hop fairy chief
Park (called hip-hop fairy by acquaint-
ances) was my manager.

Changed to Producer
Lady Park for Pinocchio

Manager of
"Pinocchio"
Her voice
is like that of
an actress

Grew older...

One bowl for every year

The long days of working alone
and feeling lonely...

Oh, my cat Kongle stayed by my side.

Published a book too.

Foolly leared up the memork
I got the book T.T

Volume 2 was publishing in the first half of March.

Please continue to take care of me. ♥

Dignation no one will care about.

Apparently, my speaking tone and actions are similar to Hishiguro. Some people have pointed out that we're very alike.

Younger Author friends

She's just like Umiho

Her way of speaking is just like yours when you were a student.

Friends

Even the fan club manager

Were you the model?

THOUGH OUR FACES PROBABLY AREN'T SIMILAR...

When I drew Pinocchio I thought about my most emotional (pff hahahaha) young girl moments.

Really happened

A fresh start
life memories

OF COURSE, GUYS LIKE THIS NEVER EXISTED...

Author's Note

I drew them thinking about the feelings, speaking tone, and emotions of those days, and it made me feel nostalgic and happy.

OF COURSE, KAKARI'S FACE LOOKS NOTHING LIKE MINE.
IT MAKES ME FEEL A BIT RUDE.

Nerdy in real life.

Hah, Tsuchimaru
Partners

(TM Tsuchimaru is a friend of
Kakari's (I would know!))

ABOUT THE TITLE
"PINOCCHIO"

There is no grand meaning behind Pineochia,

I took it from the idea that a ghost(?)
boy lives among humans and wants to become
human after a while. T...T

It's embarrassing to say
a row but saying it from the
beginning would have
been a spoiler!

Well... Anyway... ToT
Since he returned to
his own body...
Happy ending

Curiouser growing
out the hair :D

ABOUT HANBIT...

Hanbit will reappear
in the next story I'm going to
write sometime.

I don't know when since the
synopsis is incomplete.

On March 8th...
After 2 weeks of rest, I'll come back with three side stories.

Furp's story

Haribell - Friends' story

Gaom's story

I will prepare diligently. Please stay with me until the end. --

Thank you to

My loving family

High school family

College family

Sky family

My love 3M - Avengers family

And my lovable Pinocchio characters

Especially Pinocchio, you've gone through a lot.

Especially a Pinocchio

Thank you!!

Volume 2 will come out in the first half of March!
I will edit it beautifully!

There should be a dramatic revision too.
Example of some Volume 1's revisions:

level of plastic surgery ^^;

Thank you all
This is goodbye, Pinochio

Oh, don't forget about the side stories -- On March 2004
